We Scan! We Shred!

Another year has come and gone... Get all your old files scanned and burned to a searchable CD with our state of the art scanning service bureau. Running out of room and not sure if you can shred that box of records? Why don't you get them scanned and then we can shred documents for you. Or if you have old boxes of info that you need to purge we can shred those as well. Visit our website for full descriptions of the many services we can offer to you.

SALE

When you stop in to pick your revised calendar, check out some of our clearance items... a great way to stock up on supplies.

Cell Phones

Please be aware that PRINTS & MORE is located in the City of Erie, so we are directly affected by the new Erie cell phone ordinance. Be careful to only use hands free cell phones in our area.

Wall Calendar

Next time you find yourself in our neighborhood, stop by PRINTS & MORE to get your revised 2010 wall calendar. Our first printing referenced some incorrect data, so we've

run a second printing to correct those errors.
