Monday  
December 1

## Wide Format Color Copies

We are proud to announce our new Hewlett Packard wide format inkjet printer. This machine will now allow us to offer 36" wide printing and 42" wide scanning capabilities... in full color!

## Holiday Season is Coming

Having trouble thinking of something to get for co-workers or family members? Stop by the print shop and we can show you ideas for inexpensive and memorable gifts.

We stock three different styles of paper:

- Glossy
- 35# Coated Bond
- 20# Bond

Whether you need a copy of a drawing that has crayon, paint, high lighter, color pencil, or a print for presentation this machine will duplicate it all. Send your PDF, JPEG, or TIFF files in and we'll give you the best quality print around town.

We can take your work

## Custom Items

Printing on mouse pads, drink coasters, can koozies, long neck bottle insulators, and much more... create your own artwork... or let our staff help design something

and make a full-size color copy of it; or reduce it; or enlarge it. If you have a photograph and you would like to make a wall hanging we can blow that up and put it on the glossy photo paper for you. Would you like a large print of a digital picture you took? We can do that as well.

If you would like quotes on any projects please feel free to contact us.

special. Great for office parties, family get togethers, holiday gift-giving, company promotions...
